

You're Invited to the 1st  
**Energy Huntsville  
Forum**

**Thursday, August 25, 2011  
8am – 1pm**

Energy Huntsville is a new initiative that is bringing together energy innovators in Huntsville and greater area. If your company is interested in all things energy, this is your opportunity to get plugged in and join the initiative. At this event we will be showcasing local businesses, government entities, and Non-profit organizations that are conducting work in the energy arena. This is an ideal opportunity to learn about our city's foothold in the exciting new field of energy.
