

## Qualified Energy Professionals

A Qualified Energy Professional is a licensed and insured company approved to complete work under the WISE Home Energy Program from Nexus Energy Center.

An energy professional highlighted in **GREEN** has met the highest standards for quality and agreed to receive periodic inspections of their work to ensure quality workmanship. Should Nexus Energy Center discover work that does not meet the standards of the program, your contractor has agreed to repair the item(s) in question at no cost to you.

How it works:

1. Schedule and energy assessment with a qualified energy professional on page 1.
2. Complete upgrades on your home with a qualified energy professional.
3. Receive rebates from Nexus Energy Center!
